

Bob
I think this is all
taken care of.

I saw [redacted]
this A.M. and we went
to see [redacted] who was
out for the day. At George's
suggestion left copies for
Logistics with George who
will see [redacted] tomorrow
and caution him about getting
the requisition.

Since Pete Stanton was
going to be in George's office
this morning. George also
volunteered to submit them on
the status of the boxes
